Brothers in Christ

Greetings from Nairobi, Kenya in the Name of the Lord Jesus Christ. It's a blessing to be able to send you this Testimony that has thrilled my heart today. This is my fourth day here in Nairobi and the Lord has been good each day and hour spent here through his grace. Unlike my other trips to diverse places, this has been unplanned & simple though inspired.

I am being hosted here by a little unheard Brother Paul Mburu whose ministry has been so effective in Nairobi. He attends Third Exodus assembly. Bro Paul usually preaches the End time Message on streets and in a Park just in the city centre. Many souls have believed the report as a result of this ministry and some I have seen myself.

Yesterday 12<sup>th</sup> , Bro Paul asked me if I could be able to testify at the park today. I felt this would be a grand privilege for me to testify about the end time message and perhaps supply tracts of which I printed and carried with me on my trip. So I accepted to share the message with the people, and this was done from 1;pm to 2pm this 13<sup>th</sup> of April. Several people were seating around. Since it is a public place, each of the individuals was free to do what they felt like and my work was to speak and who knows, the message (seed) could perhaps fall in fertile ground. Some listened; others were reading news papers while others were relaxed and dozing. I kept the fire of the Word burning.

I shared on True Baptism Vs False Baptism. Having an inspiration from Acts 19:3 *"And he said unto them, Unto what then were ye baptized?..."*

I as well briefly spoke on a few more basic topics like the Godhead, women position in church, original sin, predestination etc. I further highlighted that there are promises following both the correct baptism and there were as well promises for those who will not hearken unto the Voice of God. Stating several scriptures including Colossians 3:17, Acts 2:37-,Ephesians 3:15,Romans 1:18, Mark 16:16, Galatians 1:8, 1 Samuel 15:22 etc etc . There was hardly any response from the crowd except for the brothers around. That did not hinder me from continuing to talk about this sweet manna. Alleluia, it's a wonderful thing to know that what we have is a treasure that many are looking for. But because they are high-minded, lovers of pleasure more than lovers of God, "they will never find it."

After preaching, I invited all those who felt touched and would Like to be baptism with the true Baptism. I as well welcomed any that had Questions that we would be free to talk with them. I further told them that not only those that would like to know, but even those that wanted to correct me were welcome and I would be sincere enough to repent if I did not tell the truth. But I further argued them that they should be able to prove am wrong basing on the Word of God as written in the "Holy Bible."

**One man** attracted my attention as he had Questions that he wanted to ask. He actually told me later that he wanted to “Correct us” on women ministry” as he thought I had a misconception to it. In his heart, he said;

*“This boy is not taught well.”* His name is Stephen Kangethe aged 40 years. I spoke with him for a long time trying to clearly & plainly show him scriptures that “FORBID” a woman to have any Leadership role in the church that as pertains to teaching or usurping authority over a man. We studied carefully together. As he thought that “speaking” meant something else, he was surprised to find out after reading 1 Timothy 2: that he meant teaching in 1 Cor 14. I read more scriptures for him like Genesis 3:14, Eph 5:12, Heb 13, etc. At the end of the day, his eyes were opened wide enough until he burst out laughing in amazing and he said *“I now get it, yes I now understand”* I Looked on in admiration while he stared at me with blazing eyes full of revelation. Hallelujah. Instead of teaching Little “David”, God used little David to teach that Goliath of “Unbelief” in our brother Stephen Kangethe.

Bro Stephen felt content after understanding the position of women in Ministry that we know believe the same thing!, My spirit was led to ask him the Name into which he was baptized. I was certain most/ALL Pentecostal churches baptize in TRINITY just like their mother the Catholic Church. As we went a long to discuss in Love, Bro. Stephen narrated to me his story. He said he was born in the Catholic Church and left it joining a Pentecostal church where he was baptized by immersion. However, he realized he was baptized in the "Titles" of Father, Son & H.S. It did not actually take Long for him to realize this Great MYSTERY. He was so excited at this Revelation and asked me **"Does it mean if I am not baptized in the Name of Jesus Christ, I have to be re-baptized"**

**I** gladly answered him, The Bible says in ROMANS 13:14, GALATIANS 3:27 that we should put on Christ, and the Only Way to Put him on is to be Baptized in the name of "The Lord Jesus Christ." Thereby, we receive the Gift of the Holy ghost and become a **NEW CREATION**. As soon as I finished this statement, he said that he believed it and this is the Truth. All the Baptisms he received, he said, were false and now he cried to me & and other brother that he would Like to have the correct baptism to fulfill all the Word of God. My My!!, I just can't narrate everything as time is a foe and space limited. I asked him when he would Like to be baptized. He said, **"I have heard all these things and I believe them all, I need to be**

**baptized now".** So, I told Brother Paul who phoned a deacon right away to find out if this could be arranged for the brother. The Deacon came and he was suggesting that we do it Saturday 14<sup>th</sup> as first thing in the morning. Brother Stephen responded *"I have believed, I am ready NOW for baptism; I need to fulfill all the Word of God such that if he comes tonight, I do not have blame. IF YOU DO NOT BAPTISE ME TODAY, AND THE LORD COMES TONIGHT, MY BLOOD WILL BE ON YOUR HEAD"*

That statement was very strong and I advised the brothers we could organize for him to be baptized as his desire. (Remember The Eunuch). Without further hesitation, arrangements were made and the brother was taken for baptism in MUCH WATER in the Name of the Lord Jesus Christ. The deacon baptized him while I witnessed. He was filled with the Holy ghost and he started speaking in tongues as we had our hands on him in prayer. He said he could feel much heat within his heart. It was very cold, but he insisted he felt very warm even while still in his baptismal wet clothes. There was such a presence!! It's done, halleluiah, one more soul into the Kingdom.

After the BAPTISM of Stephen. Brother Paul was inspired of God, to start preaching around where we baptized from as there were people watching us. They listened and all I can say enough was said for their salvation or damnation. I gave some TRACTS to another brother and he helped

distributing them to these people. They gladly received them. Amen

Finally, due to much excitement; Brother Stephen said a few compliments to me." *I despised you at the beginning and I felt like correcting you, but then I thank God because you have been an Angel sent all the way from Uganda to come and bring me this good news. I am now new and feel changed. You two (meaning me and Bro Paul) are angels of God carrying the treasure that the whole world is seeking for...*" He further wanted to give us some money. But We asked him to keep it as we did not need any "Pay" from him. He therefore asked us to allow him pray for us. He had his hands upon Bro Paul and myself as he spoke blessings over us. After the prayer, he went down the street rejoicing and glorifying God. Thank you Lord Jesus.
