Can This Message Deliver the Harlots?

"For John came unto you in the way of righteousness, and ye believed him not: **but the publicans and the harlots believed him...**" Matt 21:32

The Answer is YES. Though many have rejected this Message today, the publicans and the harlots will receive it. I AM a WITNESS!

It was around 9pm and we were from escorting Sis Yodit to the taxi and we were on our way back to the guest house. As Paul and I were imagining what the Lord will do next, little did we know He had prepared to soul not far from us to receive the Gospel.

Marta, a harlot came following us for several meters along the road. We decided to stop and hear her out, she was upto her daily business and the devil thought he would burn /ban us out of the field since

we had already done enough harm to his kingdom. The Devil was wrong, he surely did not know our God is a consuming FIRE. (Deut 4:24, 1 John 4:4).

To be brief, we introduced ourselves to her as preachers of the Gospel of Christ and expressed our desire to meet her again while she is not under the influence of that kind of anointing. She consented.

Sis Yodit was with us in the guesthouse to give us company as well as help interpret while we spoke to her. Marta further expressed that she is a double orphan since many years ago and its been for 6 years while she is engaged into prostitution to help her situation etc. We spoke many things, but her answer was this:

"I have heard everything, but one thing I don't want to do is play with the blood of Jesus because I respect it so much, how shall I overcome this if I decide to follow Jesus now?..." You could see that she truly meant what she said.

We had a very simple answer for her. I read Zechariah 4:6, and later Acts

Sis Yodit with Marta going for baptism.

2:38. It was past 8pm but she made her two decisions which changed her entire life style. She decided to RE-CANT prostitution and also decided to be baptized in the Name of Jesus Christ because she needed the blood to cleanse her past sins and also to receive the Power of the Holy ghost. We looked for the Water and baptized her that very hour.

Hallelujah!

Sis Marta Truly Born AGAIN

Sister Marta continued fellowshiping with us every other day she had the opportunity to do so. She came around often and of course Sis Yodit was always around with to do the interpretation.

One evening while we were escorting Sis Marta to the taxi home. It was around 7:30 pm when some men approached her and exclaimed why she

Baptism of Sis Marta

was no longer around for business. She strongly told them off that SHE is now changed and no longer going to work with them. She told them that She has now received Christ and not ready to continue in whatever they were asking her for.

Sis Marta is now washing clothes for a living.

Supernatural Connection for Spiritual Food:.. Bro Henok

L-R: Myself, Br Henok and Paul

Bro Henok is a friend of Abush the young men we met last year. To meet Henok was a supernatural connection. We met and we were to speak about

What God has done in this Generation through a prophet of Restoration promised in Malachi 4:5-6.

Bro. Henok became very excited about these things and asked what he can do about this. We just took him back to the foundation of Baptisms, and Repentance. He received it and right away asked to be taken to the water for baptism.

Bro Henok being baptised

His friend Abush had not yet accepted baptism as he thought its not important. It should be noted that Abush is the young man from John Debo's church that we met last year.

Above from Left is Bro Henok myself & Bro Surafel that was baptised last year. He was around to witness Henok's baptism.

Br Paul sharing just before Abush's baptism.

Abush finally decides after getting the Revelation...

Since last year, I was in touch with this young man. We shared the Word from time to time but the Revelation of true repentance and baptism in the Name of the Lord Jesus had not yet opened up to him.

It was when we met on this trip and talked some more that he caught it. He gladly requested us to take him to water as he was yearning to be identified with CHRIST in his death and resurrection.

Since he had classes at school, we took

him the following day and baptised him in the Name of our Lord Jesus Christ. Now, he had joined his friend on this road of true Christianity.

Br Abush's BAPTISM.

In a couple days, Bro Abush was filled with many questions about the truth. He asked us about Melchizedek and he was glad we would give him Bible answers by the Revealed Word of the Hour. Bro. Abush is very friendly and has asked us for lunch at his house both last time and on this trip.

From right is Myself, Bihailu, Sis Yodit and others.

Can anything Good Come from Nazareth?

Sis Yodit had a friend whose Name is Bihailu who goes to Nazret/Adaama University. Behailu came to visit us and after that he invited us to Nazret peradventure the Lord could be having something for us there to do among the University students.

We honored the invitation. Paul, Yodit and myself travelled there after a few days. We really were wondering, could anything good come out of Nazareth? We did not know But God

did. We wanted access to the university but the doors were completely closed for us since a strike had occurred there not long. We therefore went in for the night so as to see how the morning would go.

In the night, the Lord revealed it to me that we would meet several university students and that we would speak with them. I did not know how it would happen but I shared it any- ways with my fellow soldiers in the

morning as we were setting out for the day.

Well, it really happened. We met and spoke with University students at a place where Sis Yodit had suggested we take coffee. It became a church, each of us was speaking with one in a certain corner. Several heard and said they would hear again, we exchanged contacts.

Bro Abebe Accepts the Report.

Baptizing Br Abebe

Br Abebe is one of the Adaama University students that we shared with about the Message of the Hour at the coffee shop.

He caught this Message and he re-

quested us not to go away before baptizing. He ran to a friend and asked them to borrow him changing clothes and came back after a few minutes.

He then asked us to take him without delay as he really needed to receive this Jesus Christ. All his life he has been in Orthodox church but he testified he had never seen the Light there.

One more soul was won to the Lord Jesus and Yes, surely something came out of Nazareth. But that was not all....this brother caught the revelation of translating this Message to His local language Oromiffa/Oromic.

And no, that was not all...God had

more to do in Nazaret than we had earlier thought.

Ruth Finds Rests in the Great Boaz after 6 years of Labor

As we were walking away from the hotel to find a restaurant for breakfast before we finally head home in Addis. Sis Yodit asked to take us a photo, Myself and Paul on one of the streets in Nazareth.

As she took the photos, a woman came by our way and she was attracted to join in the photos. Yes, we allowed her to come and join us. Her name we found out later is Ruth and she was a wife of a Late Evangelist who passed on 6 years ago. Her children have both been adopted by whites living in the

USA. She has surely been laboring for 6 years within herself to find peace and love. All was in vain, yes...the True Boaz had now come her way.

We read and spoke of Ruth in the bible and her character to Boaz, her decision and obedience etc. I then told her that Her great Boaz is the Lord Jesus Christ and even though she has been laboring for 6 years without a husband, she wasn't supposed to worry any more. She started crying....

Much later, we read and spoke of Mat-

thew 11:48 and many other scriptures of which she afterwards firmly accepted to receive this Rest. The only thing we could do was to immerse her in the name of Her great Boaz and then HE did/will do the rest of the work.

Moges the Law Student From Shashemene

There was another outstanding meeting in Nazareth. The FIRST OF ALL....

While we were walking on one of the streets trying to find our way, we bumped into a tall young man whose name is Moses. He seemed to be very much carried away by the cares of the word.

Well, he met Christ. He testified that when he had seen us, he saw the Love of God in our eyes and the words were such he had never heard before.

We became friends although we never shared at length. Once we made known our mission to this place, he was very excited that we should also come visit his home place,

Shashamene. This is the headquarters of the Rastafari movement in the world.

Well, Moges arranged with us that we would meet in Addis as he was planning to come there to visit his brother who lives and works there. We met there and the MOVE was ON>>>

Moges at the Guest-house with us where we met.

SHASHAMENE

One of the scene around the tabernacle/temple of the Rastafaris.

Haille Sellase is one of the ancient kings of Ethiopia from the root of King Solomon of Israel by the Queen of Sheba/Ethiopia.

King Haille S is considered by the Rasta-

fari to be the fulfillment of Daniel 7:9 , the Lord of Lords, King of Kings, Prince of Peace etc etc. They are so confused that whatever applies to our Lord Jesus Christ, they apply it to their "dead" King.

Furthermore, they state that Ethiopia is the New Jerusalem while Shashamene in particular is "Zion." So, all of us then are in "Babylon."

The ones with long dreads of hair (men & women) are the chosen ones, the Bride while the others with short hair are the ones from the great tribulation...the great multitude. There Rapture is finished, and thus they are in the New Jerusalem. That explains why they take Ganja leaves which they refer to as the

"Holy Herb" which makes them levitate to Haille Sellase and the chain continues on and on...

WHILE HERE, after hearing their gospel for a long time...we preached to them the true Gospel of Jesus Christ for a witness.

The so called "Holy Herb"

One soul from Shashamene

By this time, Bro Moges had heard enough about this Message of Hour. We had some time with him as well as what he heard while we were sharing with the others.

God was good to him. He right away got a burden to take this Message to his own people and that definitely calls for translation since most of them read Oromic language.

Bro. Moges requested he be baptised in the Name of the Lord Jesus and we had to do that at the nearest Lake Awaasa 20 minutes away. God really does things in a

Supernatural way; we hardly thought that even one could be saved from this place. But He chose one who will even preach to his fellow country men. God is good all the time.

Raphael finally Asks for True Baptism...

This is the young man we met last year at the evangelical church which we had paid a visit.

He was half way decided the last time but he couldn't help it this time. I asked him to come and be with us for 3 days every day as we were preaching to others. I offered to take care of his transport.

He was faithful to come and on the third-day day, he asked for baptism in the Name of the Lord.

We gladly took him there and baptised him at his Request. Raphael and many

Others were so much in pain while we were separating.

Many stay home because they do not have anywhere to find the true Word of Life.

God help us...pray for these souls.

Bro Yidenek, Raphael and myself.
